Glossary:

- a) Passive Order: An order is passive when a trading partner awaits a specific trading price for an asset before purchase / sale.
- b) Aggressive order: When a trading partner executes a purchase / sale order without waiting for a specific trading price.
- c) Directed order: When a customer asks to have an asset traded at a specific trading place.

LEI Code: A Legal Entity Identifier (LEI) code is a 20-digit code that uniquely identifies a legal entity involved in financial market transactions - across markets and legal systems. A LEI code can be issued to any legal entity. Branches or business entities that are not independent legal entities should initially use the parent's LEI code. Individuals cannot get a LEI code.
