Glossary:

- a) **Passive Order:** An order is passive when a trading partner awaits a specific trading price for an asset before purchase / sale.
- b) **Aggressive order:** When a trading partner executes a purchase / sale order without waiting for a specific trading price.
- c) **Directed order:** When a customer asks to have an asset traded at a specific trading place.
- d) **LEI Code:** A Legal Entity Identifier (LEI) code is a 20-digit code that uniquely identifies a legal entity involved in financial market transactions - across markets and legal systems. A LEI code can be issued to any legal entity. Branches or business entities that are not independent legal entities should initially use the parent's LEI code. Individuals cannot get a LEI code.
